ASIA PACIFIC'S LARGEST MANUFACTURER OF ROAD SWEEPING BROOMS

At Industrial Brushware we pride ourselves on the fact we manufacture a comprehensive range of high quality Road Sweeper Main brooms, Gutter Brushes and Section Brushes to suit all sweepers typically used in Local Government, Councils, Shires, Road Cleaning / Sweeping, Road Construction and the Asphalt / Bitumen Industries.

MAIN BROOMS

Our main brooms can be made in either Spiral Wound construction or in Staple Set construction on state of the art brush making machines in either one continuous piece or individual segments depending on the customer's sweeper requirements. These brooms are available in Poly and Poly / Wire fill combinations.

GUTTER BROOMS

Our gutter brooms are made in a variety of sizes from 300mm up to 820mm. We stock timber or fully recyclable plastic heads depending on the machine type. They can be made in either full wire - poly /wire or full poly fill with 2, 3, 4, or 5 rows of bristles. Gutter brooms can also be made in smaller individual segments for easy fitting as typically used on Schwarze and Tymco Sweepers.

ROAD BROOM SEGMENTS

Our Road Broom Segment brushes are available in both Flat or Convuluted segments to suit all sweepers including Johnston, Scarab, Bonne, Sewell, Bobcat, Hydrapower, Sweepster, Digga and Cat Sweepers. Sizes range from 15" to 36" in diameter. Drives include 1 ¼", 1 ½", 2" and 3" square drive, 5", 6 ¾", 7", 8" and 10" centre pin drive. Spacers are also available in 5" and 10".

OTHER PRODUCTS AVAILABLE

- DRAGBROOMS • HANDBROOMS • ROAD ROLLER MATTS
- SQUEEGEES / RAKES • BOOT CLEANERS
